### **Creating Beautiful Flower Pots and Hanging Baskets**

Do you want to add some color and texture to your garden but need some inspiration? Join us for our June Garden Club meeting featuring Kelsey Curtis and Kelly Bergquist, who are part of the Green Team at Green Thumb Nursery in San Marcos.

Kelsey and Kelly will be doing a live demonstration - planting both a bowl and a hanging basket with a mix of annuals and perennials. They will discuss factors such as scale, color, and contrasting textures that are important when designing a container garden. And, the completed containers will be part of the monthly raffle for our audience. Join us for a fun and educational meeting.

**Event Details: Wednesday June 11, Abravanel Hall, social time: 9:30 am and the meeting starts at 10 am.**

Join the Garden Club for just \$10 per year - sign up at any meeting. Be sure to stop by the Share Table for gardening treasures. We look forward to seeing you!
