

OHCC GARDEN CLUB

JANUARY BULLETIN

January 14th, 2026 – Abravanel Hall
9:30 Social time - Meeting begins at 10:00

Sequoia Trees Growing in SD County?

Jim Hamerly, our January speaker, has planted more than 100 of these majestic trees in his 20-acre forest on Palomar Mountain. Jim will discuss how the colossal giants of the plant kingdom play a pivotal role in ecosystems by providing crucial habitat, stabilizing soil, sequestering carbon, and more.

Be sure to renew your Garden Club membership!

Visit our table at Do Dues Day on January 10th, or
bring your \$10 check to the January meeting.

Garden Club name tags are only \$12 and we'll be placing a new group order in the next few weeks.

To order, bring your check (made out to OHCC Garden Club) to the January meeting.

Visit the share table, outside the doors to the right of the stage. Contributions are welcome and everyone is encouraged to take whatever they can use.
