

Bonsai: Appreciation through De-Mystification

Bonsai is the Japanese art of growing and shaping miniature trees in containers. This art has been practiced for over a thousand years. To learn more about this fascinating subject, join us for our July Garden Club meeting featuring Kyle Icke, a member of the San Diego Bonsai Club.

Kyle calls himself a bonsai enthusiast and he has been practicing this art (or as he says, he has been playing with little trees) for over 20 years. Kyle will provide his take on the art of bonsai and show you some of his little trees and the tools he uses to work on them.

Event Details: Wednesday July 9, Abravanel Hall, social time: 9:30 am and the meeting starts at 10 am.

Join the Garden Club for just \$10 per year - sign up at any meeting. Be sure to stop by the Share Table for gardening treasures. We look forward to seeing you!
