Bonsai: De-Mystification

Kyle Icke, member of the San Diego Bonsai Club, will share his enthusiasm for Bonsai, the Japanese art of growing and shaping miniature trees. We'll have the chance to admire some of his extraordinary little trees and learn about the special tools he uses.

Upcoming Garden Club Dates:

Saturday, September 27th – Fall Festival and Hot Dog Sale

Wednesday, December 10th – Holiday Luncheon

We're looking for volunteers to help with these events. Sign-up sheets will be at the membership table during the July meeting.

Please consider joining the 2026 Garden Club Board. Our nominating committee will be emailing information soon regarding the board positions coming available next January. Join our fun group and be a part of keeping Garden Club one of the best OHCC clubs!

Visit our share table, outside the doors to the right of the stage. Contributions are welcome and everyone is encouraged to take whatever they can use.

The Garden Club has a private Facebook Group for members to exchange gardening information. If you are a current, dues-paying member of the OHCC Garden Club and would like access, send an email to the Garden Club Member Services Liaison, Diane Bednarski; dianebednarski@gmail.com
